- ❖ **“SIC Code 1500 TO 1799”** If you have an SIC code 1500 -1799, you must **report on all work** done that has not been reported to another city or county for a business license. Even if you are not required to have a permit.
- ❖ **“Gross Income”** (to report on line “a”) pertains to *all* revenue received (or accrued) for a full calendar year and as is reported to the IRS based upon the previous year return **prior to any deductions** or expenses such as cost of goods sold, overhead, etc.
- ❖ All **New businesses** are required to have a business license prior to operation in Horry County. Each must estimate their probable **“Gross Income”** (for line “a”) beginning from the start date of the business until April 30th. For the second year of operation, the business must again estimate the probable “Gross Income” (line “a”) to cover a full year (12 months) of activity. **All additional income over the estimated gross income as filed must be reported, and the additional fees paid, prior to the expiration of the license year for which the estimate was given or penalties will apply.**
- ❖ **“Exempt Income”** (line “b”) pertains only to revenue that is generated in another county or municipality of which a business license was obtained and the revenue amount was reported. All remaining income (regardless of where it is generated) is reported to Horry County, as per your physical business location address, and is subject to the business license fees.
- ❖ **“Change of Address”** A change in address must be reported in writing to Horry County within ten (10) days after the business has moved to a new location. The current license will be valid at the new address until a new license can be issued, provided it is in compliance with the county zoning and building codes. The tax map number of the property (new location of the business) is required. Failure to obtain approval of the county shall invalidate the license.
