Horry County Information Line

Your Highway to Knowledge

Welcome to the Horry County Information Line, a 24-hour a day automated service providing you with recorded information about county programs, services, and resources. The service is not intended to replace person-to-person contact, but rather to offer you the convenience of information 24-hours a day, 7 days a week. The messages, forms, and website links are also available on our website at www.horrycounty.org/infoline.

How to use the Information Line:

Have paper and pen or pencil handy to take notes.

Using a touchtone telephone, simply dial 843-915-5005 then enter the 4-digit code for any of the more than 200 messages listed in this brochure. You may enter a code at any time. To hear a new message just enter the next desired code. You can access up to 4 message and fax documents per call. To exit Information Line simply hang up.

If you have a life-threatening emergency, please call 911 directly for immediate person-to-person assistance.

Hearing Impaired:
Customers with TDD/TTY (text telephones) may access all information on this system by calling 843-915-5006.

What is this?

FAX-ON-DEMAND:

Attached to some DIAL messages are associated FAX documents. These messages are indicated with this symbol (📄), and precede the message title. The message will first provide you with audio information and then give the option to receive the related FAX. You may skip the audio message and go directly to requesting the FAX document by pressing the star key (*) on your telephone.
