(Waccamaw NWR)**
-  **State Protected Lands  
(DNR Heritage Preserves)**
-  **Privately Protected Lands**
-  **Priority Open Space  
Acquisition Sites  
(Horry County)**

**GREEN INFRASTRUCTURE  
TERMINOLOGY:**

**HUBS:** Large areas of protected land that anchor an open space network

**SITES:** Smaller preserves that may or may not be linked to a larger network but still provide important open space functions

**LINKAGES:** Linear features that connect Hubs and Sites to tie the system together
