READING OF ORDINANCES:

Second reading of Ordinance 175-07 approving and authorizing the administrator to execute a lease agreement with TKC Aerospace for property located at the Myrtle Beach Int’l Airport for the purpose of construction of facilities and operation of an aviation business related to maintenance, modification and completion of aircraft. Mr. Prince moved to approve, seconded by Mr. Worley. Mr. Prince moved to amend to reflect the name of the lessee as TKC MB LLC, seconded by Mr. Worley. The motion to amend passed unanimously. The motion to approve as amended passed unanimously. (Mr. Grabowski was absent.)

First reading of Ordinance 07-08 authorizing the issuance and sale of General Obligation Bond Anticipation Notes in the principal amount not to exceed $4 million. Mr. Worley moved to approve, seconded by Mr. Prince. The motion passed unanimously.

First reading of Ordinance 09-08 authorizing and defining appropriate local legislative action regarding any gambling vessel being anchored, berthed, navigating, voyaging and cruising within the boundaries of Horry County. Mr. Worley moved to approve, seconded by Mr. Frazier. Mr. Weaver stated that effective January 1, 2008, the casino boats would pay $7 per boarding passenger. The $7 per boarding passenger would be stable for five years. Thereafter, at the end of the sixty month or five year period they would have the option, if they so chose, of increasing it up to $10. It was not a mandatory jump from $7 to $10. It could be anywhere in between or none at all but it couldn’t go below $7. It was a deal that could not be revoked by Council or by the gambling vessels. There was a challenge to the County’s right to propose the ordinance at all. One had to do with the Johnson Act and gambling in itself. The other challenge was the right to tax outside of the three mile limits of Horry County and the State of South Carolina. The casino vessels, both of them, would drop their litigation and challenge to any and all claims that they had. The dropping of the case would be done with prejudice, which meant they were forever waiving their rights to challenge the constitutionality of the ordinance. He further stated there was a short-term matter that was important. He presented a letter signed by Dwight Drake, an attorney in Columbia for Sun Cruz and Bill Hannah, the attorney for Diamond Girl II, had put in writing their concurrence with the agreement. He also presented two checks totaling $400,000. The checks were an advance payment of the monies that began to accrue on January 1, 2008. He would hold the two checks in
trust until the ordinance passed third reading. Mr. Schulz requested that they review the books for Coast RTA before funding is given to them. Chairman Gilland stated that Mr. Worley and Mr. Schulz had volunteered to scrutinize the issue involving Coast RTA. Mr. Barnard moved to approve to allow Mr. Worley and Mr. Schulz to review Coast RTA, seconded by Mr. Grabowski. The motion passed unanimously. The motion to approve First Reading passed.
