- Distemper/Parvo (canine) $10--must be at least 8-weeks old
- Bordatella (canine) $10--must be at least 8-weeks old
- Rabies (canine & feline) $10--must be at least 4-months old
- Microchip (canine & feline) $15--must be at least 8-weeks old
- Rhinotracheitis/Calici (feline) $10--must be at least 8-weeks old

Dogs and cats are both welcome; dogs must be on a hand-held leash and cats must be in a pet carrier.

The Animal Care Center will hold these clinics monthly.

To help homeless animals in Horry County find loving homes, the Animal Care Center will offer discounted adoptions Friday, October 4, 2013, from 11 a.m. until 5 p.m. and Saturday, October 5, 2013, from 11 a.m. until 1 p.m. Potential adopters are encouraged to visit and spend time with the
animal they are interested in. Most of the animals are already spayed or neutered and have their shots up to date, however younger animals may need to be returned later to have shots and/or spay/neutering done. The paperwork is easy and only takes a few minutes to fill out. For this event, adoption fees will be discounted to just $40 for dogs (normally $80) and $25 (normally $50) for cats which includes spaying/neutering, vaccines including Rabies, heartworm or leukemia testing, heartworm and flea preventative, intestinal parasite treatment and micro-chipping. Qualifying new pet parents also get 30-days free pet health insurance and coupons from local pet businesses.

To view the animals currently available for adoption or for more information on the monthly vaccination clinics, contact the Horry County Animal Care Center at 843-915-5172, follow us on Facebook, or visit our website at http://www.horrycounty.org/depts/pubsafety/AdoptAnimals.asp.

KNOW YOUR ZONE HURRICANE TOWN HALL MEETING

Conway, South Carolina – Horry County Emergency Management will host several town hall meetings for the public on the Know Your Zone hurricane evacuation zones.

**Bucksport Area – October 1 at 6:00 p.m.**
James R. Frazier Community Center, 1370 Bucksport Road, Conway

There are three hurricane evacuation zones, which incorporates more land mass and requires additional people living in those areas to leave during certain hurricanes based on surge inundation instead of category of storm. It will be important for every resident to know if they live in a hurricane evacuation zone and what to do when asked to leave. Residents can visit the Horry County Emergency Management’s website at http://emd.horrycounty.org/ to view the hurricane evacuation zone maps and related information on how to prepare for the upcoming hurricane season.

To Know Your Zone and to learn more about hurricane planning, please visit Horry County Emergency Management at http://emd.horrycounty.org/ or call 915-5150.
