WILLARD ACE PARKER FARM IS DESIGNATED AS A CENTURY FARM

Conway, South Carolina – The Horry County Planning & Zoning Department has been notified that the South Carolina Century Farms Program has designated the Willard Ace Parker Farm in Horry County as a Century Farm. The farm was purchased by the family in 1863 and has been continuously owned by the family since then. Willard Parker of Longs is the current owner of the Willard Ace Parker Farm.

The Century Farms Program was created to honor families who have owned and farmed the same land for at least one hundred years. The program was created in the 1974 for Anderson, Oconee and Pickens counties. In 1976, the South Carolina Legislature expanded it into a statewide program. Since 1974, over 350 properties have been designated as Century Farms.

The Pendleton District Commission, in Pendleton SC, administers the Century Farms Program. This designation places no restrictions on the farm, nor does it offer legal protection and there is no cost to apply. For more information please contact the Commission at 864-646-3782 or centuryfarm@pendletondistrict.org.

Transportation’s (SCDOT) Adopt-a-Highway Program are seeking volunteer groups to adopt and maintain the landscaped medians along Highway 17 Bypass from Glens Bay Road to the Garden City Connector. Since 2003, Adopt-a-Tree partners ‘Lou Krieger and Friends’ and ‘Cumulus Broadcasting/Sunny 106.5’ have planted and maintained over two-dozen landscaped beds with palm trees, crape myrtles, river birches, and a variety of bushes and flowers. These long-standing volunteers are no longer able to maintain the landscaping. To ensure that the medians continue to look beautiful and so that they do not become a maintenance concern for drivers and SCDOT, Keep Horry County Beautiful is seeking the assistance of volunteers. Volunteers will be responsible for trimming the trees and bushes, mowing directly around the landscaping, and removing any landscaping debris at least four times a year for two years. SCDOT will continue to mow the grassy areas of the medians. Keep Horry County Beautiful will support interested volunteer groups by providing them with safety vests, gardening gloves, and trash and yard bags. The volunteer group or groups will also have a sign erected to recognize them for their efforts. For more information on how you can become involved in this project and other beautification efforts, contact Nancy Tindall with Keep Horry County Beautiful at 843-915-7893.

The mission of Keep Horry County Beautiful is to inspire residents and visitors to value and protect the natural beauty of Horry County and to empower them to keep the open spaces, rivers, and beaches clean and litter free. The committee strives to achieve this goal by assisting community groups with litter cleanup events and beautification projects. Keep Horry County Beautiful is a committee of the Horry County Parks and Open Space Board and an affiliate of Keep America Beautiful and Palmetto Pride.

HORRY COUNTY SHERIFF’S OFFICE TO CO-HOST SHRED EVENT TO PROTECT AGAINST IDENTITY THEFT

Conway, South Carolina – The Horry County Sheriff’s Office, along with AARP South Carolina and Shred Alert, is hosting a shred event on Friday, May 1, 2015, from 8 a.m. until 12 p.m. The event is free and open to the public. To help fight back against identity theft, the public is encouraged to bring up to three bags or boxes of your old personal information to a mobile shredding truck that will be located at the Horry County Government & Justice Center, 1301 2nd Avenue in Conway and at the Shred Alert office located at 4727 Northgate Boulevard in Myrtle Beach. The goal this year is to shred 15,000 lbs. of paper!

Identity theft and identity fraud are terms used to refer to all types of crime in which someone wrongfully obtains and uses another person’s personal data in some way that involves fraud or deception, typically for economic gain. Identity theft has become one of the fastest growing crimes in the United States.

One of the biggest ways to protect you against identity theft is to shred personal information. You can also adopt a “need to know” approach to your personal data. For example, the more information you put on your checks like social security number and home phone number, the more chances that information could land in the hands of a criminal.

If you are traveling, have your mail held at your local post office or ask a trusting neighbor to collect your mail while you are away. Also, check your financial information regularly, and look for what should be there and what shouldn’t.

For more information about identity theft and how to protect yourself, go to the United States Department of Justice website at http://www.justice.gov/criminal. For more information on the upcoming shred event, contact AARP South Carolina at 866.389.5655.

Recognition Program will recognize Nye’s Pharmacy April 9, 2015, at 11 a.m. with a ribbon cutting ceremony. The four Nye brothers established the Nye’s Drugs chain of stores in 1928 making the business 87-years old! The current Nye’s Pharmacy is the last remaining store of the Nye chain of drug stores. Kevin Martin took over the reins for 20 years, and now Matt and Tiffany Combs continue the tradition of serving Conway citizens with their medical needs.
