KEEP HORY COUNTY BEAUTIFUL SEEKS BEAUTIFICATION PARTNERS

Conway, South Carolina – Keep Horry County Beautiful (KHCB) and the South Carolina Department of Transportation’s (SCDOT) Adopt-a-Highway Program are seeking volunteer groups to adopt and maintain the landscaped medians along Highway 17 Bypass from Glens Bay Road to the Garden City Connector. Since 2003, Adopt-a-Tree partners ‘Lou Krieger and Friends’ and ‘Cumulus Broadcasting/Sunny 106.5’ have planted and maintained over two-dozen landscaped beds with palm trees, crape myrtles, river birches, and a variety of bushes and flowers. These long-standing volunteers are no longer able to maintain the landscaping. To ensure that the medians continue to look beautiful and so that they do not become a maintenance concern for drivers and SCDOT, Keep Horry County Beautiful is seeking the assistance of volunteers. Volunteers will be responsible for trimming the trees and bushes, mowing directly around the landscaping, and removing any landscaping debris at least four times a year for two years. SCDOT will continue to mow the grassy areas of the medians. Keep Horry County Beautiful will support interested volunteer groups by providing them with safety vests, gardening gloves, and trash and yard bags. The volunteer group or groups will also have a sign erected to recognize them for their efforts. For more information on how you can become involved in this project and other beautification efforts, contact Nancy Tindall with Keep Horry County Beautiful at 843-915-7893.

The mission of Keep Horry County Beautiful is to inspire residents and visitors to value and protect the natural beauty of Horry County and to empower them to keep the open spaces, rivers, and beaches clean and litter free. The committee strives to achieve this goal by assisting community groups with litter cleanup events and beautification projects. Keep Horry County Beautiful is a committee of the Horry County Parks and Open Space Board and an affiliate of Keep America Beautiful and Palmetto Pride.

To help homeless animals in Horry County find loving homes, the Animal Care Center will offer discounted adoptions the first Friday and Saturday of each month. Potential adopters are encouraged to visit and spend time with the animal they are interested in. Most of the animals are already spayed or neutered and have their shots up to date, however younger animals may need to be returned later to have shots and/or spay/neutering done. The paperwork is easy and only takes a few minutes to fill out. Adoption fees are discounted and typically include spaying/neutering, vaccines, heartworm or leukemia testing, heartworm and flea preventative, intestinal parasite treatment and microchipping. Qualifying new pet parents also get 30-days free pet health insurance and coupons from local pet businesses.

To view the animals currently available for adoption or for more information on the monthly vaccination clinics, contact the Horry County Animal Care Center at 843-915-5172, follow us on Facebook, or visit our website at http://www.horrycounty.org/depts/pubsafety/AdoptAnimals.asp.

HORRY COUNTY SHERIFF’S OFFICE TO CO-HOST SHRED EVENT TO PROTECT AGAINST IDENTITY THEFT

Conway, South Carolina – The Horry County Sheriff’s Office, along with AARP South Carolina and Shred Alert, is hosting a shred event on Friday, May 1, 2015, from 8 a.m. until 12 p.m. The event is free and open to the public. To help fight back against identity theft, the public is encouraged to bring up to three bags or boxes of your old personal information to a mobile shredding truck that will be located at the Horry County Government & Justice Center, 1301 2nd Avenue in Conway and at the Shred Alert office located at 4727 Northgate Boulevard in Myrtle Beach. The goal this year is to shred 15,000 lbs. of paper!

Identity theft and identity fraud are terms used to refer to all types of crime in which someone wrongfully obtains and uses another person’s personal data in some way that involves fraud or deception, typically for economic gain. Identity theft has become one of the fastest growing crimes in the United States.

One of the biggest ways to protect you against identity theft is to shred personal information. You can also adopt a “need to know” approach to your personal data. For example, the more information you put on your checks like social security number and home phone number, the more chances that information could land in the hands of a criminal.

If you are traveling, have your mail held at your local post office or ask a trusting neighbor to collect your mail while you are away. Also, check your financial information regularly, and look for what should be there and what shouldn’t.
For more information about identity theft and how to protect yourself, go to the United States Department of Justice website at http://www.justice.gov/criminal. For more information on the upcoming shred event, contact AARP South Carolina at 866.389.5655.
