Horry (pronounced O-REE) County is situated in the northeastern corner of South Carolina and is a diverse land of rivers, beaches, forests, and swamps. Founded in 1801, Horry County is sometimes referred to as "The Independent Republic of Horry", a nickname that referred to the politically independent citizens. The County consists of 1,143 square miles, over 300,000 residents and over 1,700 dedicated employees to service their needs. Horry County hosts eight cities/towns that welcome millions of visitors annually who enjoy abundant amenities that include beautiful beaches, shopping, golf and a wide array of entertainment and dining.

To help homeless animals in Horry County find loving homes, the Animal Care Center will offer discounted adoptions the first Friday and Saturday of each month. Potential adopters are encouraged to visit and spend time with the animal they are interested in. Most of the animals are already spayed or neutered and have their shots up to date, however younger animals may need to be returned later to have shots and/or spay/neutering done. The paperwork is easy and only takes a few minutes to fill out. Adoption fees are discounted and typically include spaying/neutering, vaccines, heartworm or leukemia testing, heartworm and flea preventative, intestinal parasite treatment and micro-chipping. Qualifying new pet parents also get 30-days free pet health insurance and coupons from local pet businesses.
