Dogs and cats are both welcome; dogs must be on a hand-held leash and cats must be in a pet carrier.

The Animal Care Center typically holds these clinics monthly.

To help homeless animals in Horry County find loving homes, the Animal Care Center will offer discounted adoptions the first Friday and Saturday of each month. Potential adopters are encouraged to visit and spend time with the animal they are interested in. Most of the animals are already spayed or neutered and have their shots up to date, however younger animals may need to be returned later to have shots and/or spay/neutering done. The paperwork is easy and only takes a few minutes to fill out. Adoption fees are discounted and typically include spaying/neutering, vaccines, heartworm or leukemia testing, heartworm and flea preventative, intestinal parasite treatment and micro-chipping. Qualifying new pet parents also get 30-days free pet health insurance and coupons from local pet businesses.

To view the animals currently available for adoption or for more information on the monthly vaccination clinics, contact the Horry County Animal Care Center at 843-915-5172, follow us on Facebook, or visit our website at http://www.horrycounty.org/depts/pubsafety/AdoptAnimals.asp.
