

Horry County ESG Application

Addendum #2

Dated: March 5, 2020

1. Are there specific funding limits for categories of eligible projects through ESG?

Specific amounts for eligible project categories (homelessness prevention, rapid rehousing, street outreach, emergency shelter, administration, and HMIS) are not designated for the \$175,000 in ESG funding made available through this solicitation. However, there are a few regulatory caps for specific funding categories that Horry County must abide by. As previously addressed in Addendum #1, the combined amount of ESG funds awarded for street outreach and emergency shelter projects may not exceed 60% of the annual ESG allocation, which calculates to a combined limit of \$108,226 (24 CFR 576.100(b)). Additionally, total combined administration expenses may not exceed 7.5% of the annual ESG entitlement grant. A maximum of \$8,533 may be allocated in aggregate to applicants for administration expenses (24 CFR 576.100(c)).
