In accordance with the SCFOIA, notices of the meeting were sent to the press (and other interested persons and organizations requesting notification) providing the agenda, date, time, and place of the meeting.

Mr. Joel Carter called the meeting to order at 12:35 PM. Mr. Bill Long gave the invocation and asked a special blessing for the victims of South East Asia.

**APPROVAL OF MINUTES** - After reviewing the minutes of the November 18, 2004 meeting, Mrs. Tempe Oehler made a motion to approve with the correction to delete the “i” in Prather. Mrs. Jane Charles seconded. Motion carried unanimously.

**NEW BUSINESS**

Ms. Cynthia Thorpe read into the record that Ms. Jane Charles brought in two (2) newspaper articles, one from December 28, 2003 from the Sun News, and the second from Thursday, December 23, 2004 from “The Low Country”, Post and Courier.

Mrs. Thorpe mentioned the preservation conference in Columbia on March 31, 2005. The keynote speaker will be Mr. Dan Becker, President of the National Alliance. She asked if any members wanted to attend.

Mr. Joel Carter inquired about Mr. David Douglas’ correct email address, and Ms. Thorpe replied that his email address was [dd@douglascoinc.com](mailto:dd@douglascoinc.com)

Mr. Joel Carter mentioned some priorities as follows:

1. Socastee District status
2. Replacement marker for Vereen Memorial Gardens
3. Bronze plaque and signs for Horry County registered properties
4. New properties that need to be documented and registered
5. A new district at Green Sea Floyds
6. Loughrea Plantation

Ms. Jane Charles mentioned the Teaching with Historic Places lesson plan was not being utilized. Mr. Carter indicated that he would like to get the lesson plan finished. Mrs. Thorpe mentioned that Ms. Karen Godin had critiqued the lesson plan. That should be available at the next meeting.

**DEDICATION OF SOCASTEE MARKERS** - The Board discussed March 13, 2005 at 2:00 PM for the ceremony. March 14-16 was mentioned as a rain date. They discussed speakers, attendees, and markers for houses/buildings. Mrs. Thorpe will talk to Lisa Bourcier and Mr. Ed Jackson.

**BUDGET** - Mrs. Thorpe reviewed the budget for 2004-05. The Board had spent a little over \$3,000 leaving around \$7,000. For budget year 2005-06, the Board asked for \$16,000; however County Council granted \$10,000. Ms. Thorpe reported there were 7,000 Socastee brochures, 7,000 Little River brochures, and no Historic Horry County brochures.

Mrs. Cynthia Thorpe mentioned prioritizing items for the remainder of this budget year. She wanted to begin work on the Horry County brochure, since they would be starting from scratch. Mr. Joel Carter indicated he could assist on the pictures. Mrs. Thorpe indicated no response from Electric City Printing or Zwing Advertising. Ms. Thorpe mentioned ordering 10,000 Little River brochures and 10,000 Socastee brochures would cost approximately \$4,100 with Zwing that already has the layout. The Board discussed corrections to the Horry County brochure.

C. B. Berry called Mrs. Thorpe and requested a replacement sign for The Whitefield sign that was located at Nixon's Crossroads. Mrs. Thorpe located the old sign in storage at SCDOT. The sign could be reused, however it needed a new post, which would cost \$350. Signs with text on both sides and a post would cost \$1750 each for The Vereen House (SC/NC border) and Bear Bluff (Off Highway 90 in the Tilly Swamp area). SCDAH was checking to see if markers were ever approved. Signs with text on one side and a post are \$1450 each. Ms. Jane Charles made motion to order one (1) marker, and one (1) post out of this budget year and Mr. Bill Long seconded. Motion carried unanimously.

Mrs. Thorpe asked the Board to think about National Preservation Week and presentation of plaques. The Buck Plantation, the Durham House, and the Vereen House were suggested. Mrs. Thorpe reminded the Board that they had already honored the Durham House and the Vereen House.

A pebble grain finish with bronze over aluminum was suggested. Mr. Joel Carter mentioned that Ms. Liz Gilland had suggested acquiring yard markers for historic properties – similar to those used by the City of Conway. Mr. Carter indicated that this could be a supplemental thing if the board chose to do this. Mr. David Douglas suggested ordering 100-500 medallions. Mrs. Charles felt they would use 100. Mrs. Thorpe suggested one large plaque listing all the historic properties in Horry County that could be displayed in the hallway of the Government Building. She will check the cost of such a plaque.

**BUDGET** - Mrs. Thorpe reported the pole was ordered for the Whitefield marker. She had spoken with Mr. Tracey Powers, with South Carolina Department of Archives and History, who indicated the boundary marker should be replaced as soon as possible. However, he had no information of ever having a Bear Bluff marker. Mrs. Thorpe suggested the Board could come up with the text for the boundary marker for Mr. Powers to review. Mr. Powers said the location of the boundary marker was US Highway 17 at the state line, on the Heather Glen side. Mr. Carter asked about the brown historic signs. Mrs. Thorpe had spoken with Randy Graham with SCDOT, who stated they put up those signs automatically.

Mr. Joel Carter asked about a picture of the Old Courthouse that was on an old document when the former administrator M. L. Love, Jr. was here. Mr. Doug Douglas stated his wife had a lot of photos that the Board might be able to use.

Mrs. Cynthia Thorpe indicated the following priorities for the remainder of this year’s budget.

- One (1) pole for the Whitefield Sign that SCDOT has in storage.
- The replacement of a boundary house marker on the South Carolina/North Carolina line. The cost would include a pole.
- Printing of the Horry County Brochure

She mentioned for next year’s budget, the board could do the Galivants Ferry brochure and reorder brochures in bulk to save money.

Mrs. Tempe Oehler asked for some Socastee brochures for the South Carolina Hall of Fame induction ceremony. Ms. Thorpe mentioned that she submitted the Socastee brochure for the 2005 South Carolina Heritage Trust Tourism Award.

Having no further business, Ms. Tempe Oehler made a motion to adjourn and Ms. Jane Charles seconded. Mr. Doug Douglas left the meeting. The Board reconvened after a few minutes to discuss the local historic district. Mr. Carter suggested waiving building permit fees for historic preservation. Staff indicated that most of the property owners in the Socastee area did not want to be in the historic district. Mr. Carter felt Mr. Jackson might have changed his mind since their discussion of the proposed changes. Mr. Joel Carter indicated that this would have to go back to the Infrastructure and Regulation Committee.

**DEDICATION OF SOCASTEE MARKERS** - The dedication is scheduled for Sunday, March 13, 2005 at 2 PM. Mrs. Thorpe is checking on buses to shuttle people from the bridge to the church. She and the Public Information Office were attending to the details of the ceremony. Mr. Joel Carter will ask the pastor of Socastee United Methodist Church to speak.

**NEW BUSINESS**

Mrs. Tempe Oehler shared with the board a copy of an article from the Sun News Neighbors section that covered residents who were integral to the Little River area.

**Election of Officers-** Mrs. Jane Charles made a motion to keep the same slate of officers. Mr. Bill Long seconded the motion. Mr. Carter remarked he wanted to see the new members more involved. With no further discussion, the officers for the 2005-2006 year are: Mr. Joel Carter; Chairman, Mrs. Jane Charles; Vice-Chairman, Mrs. Vicki Stone; Secretary, and Mrs. Cynthia Thorpe; Staff Liaison. The motion carried unanimously.

**OLD BUSINESS**

**Comprehensive Plan -** Ms. Whitney Hodges presented a copy of the Cultural Resources Element Goals and Strategies draft. She explained that each topic has a broad goal, the policy narrows down those goals and the strategies outline different actions. It is for all of the resource elements and she asked for comments from the board members.

**Horry County Brochure –** Mrs. Cynthia Thorpe contacted Ron Zwing about the brochures, but Zwing had not started the brochures yet. Mrs. Cynthia Thorpe informed the board that the county now has the ability to store 50 to 60 boxes and asked if they would want to go ahead and order the 20,000 brochures they had approved last meeting. The board approved the suggestion. During the meeting Mrs. Cynthia Thorpe called Mr. Zwing and let the board know that the company had the layout, but they were still missing 3 or 4 photos and they needed a countywide map for the brochure. He would let them know which pictures.

**Wampee Baptist Church -** Mrs. Cynthia Thorpe said a member of the Wampee Baptist Church on Hwy. 90 called and shared that a New Life Center for the church had been build to replace the old sanctuary and some members of the church wanted to tear down the old sanctuary that was built in the early 1900's. It has been a part of the community a long time and was used by the U.S. Army during WWII. Mrs. Thorpe told the member of the church, how they could apply to have the church placed on the National Registry. It would not prevent the church from being demolished, but it would require the church to go through a process to show why the building would need to be demolished. So there may be a request to place the church on the Registry.

**Atlantic Beach Marker Resolution-** Mrs. Tempe Oehler called Sherry Suttles in Atlantic Beach, to ask who purchased the marker. The Atlantic Beach Historical Society was responsible for the purchase of the marker and a resolution to acknowledge and commemorate the marker would need

Board of Architectural Review  
2005 Minutes

to be sent to them. Mrs. Tempe Oehler was invited by Sherry Suttles to see the marker and Mrs. Oehler said she would go to look at the marker before she wrote the resolution. Ms. Whitney Hodges retrieved a copy of the marker text that she had received to give to Mrs. Oehler and the board.

The next meeting is scheduled for November 15, 2005 at 12:00 Noon.

With no further business, Mrs. Jane Charles made a motion to adjourn and Mrs. Tempe Oehler seconded. The meeting was adjourned at 1:25 PM.
