- A. **Review of Spelling of Pauley/Pawley Swamp** - Carolyn Dillian gave an overview of the meeting that she and James Thompkins attended with Ben Burroughs, of the Historic Society and Jimmy Graham, representing the Pauley Swamp Church. She stated that the church recognized the historic name being spelled “Pawley” and were not in opposition to the Historic Registry reflecting the name as “Pawley”. William Long was in support of the name spelling remaining “Pauley”. James Thompkins made a motion to take the opinion of the Historic Society and change the spelling to “Pawley”. Bill Strydesky questioned where the change would require re-advertising. Adam Emrick stated that re-advertising was not necessary and that the name change would be held until there were other ordinances to send to County Council. James Thompkins withdrew his original motion and made a motion to reflect the name as “Pawley” (without an “s”) for use on the Historic Registry for the community cemetery and church cemetery. Bill Strydesky seconded and the motion carried unanimously.
- B. **2013 High School Video Contest roll out** - Adam Emrick gave an overview. He stated that he would be submitting to schools in the upcoming weeks.
- C. **Kings Highway Project** - Adam Emrick gave an overview. Adam stated that Brent Taylor with Horry County Parks and Recreation had concerns about the new location for the dumpster and moving the chain length fence. He stated that the issue is now in the hands of Horry County Parks and Recreation.
- D. **Coloring Book Project** - Joel Carter gave an overview. Joel suggested a drawing contest for schools. Adam Emrick encouraged the board to wait until spring to move forward. Bill Strydesky recommended gathering all of the artwork before making a plan. He also stated that he

would petition his artist acquaintances to contribute to the program.

- E. **Historic Trees/Living Legacy Project Update** – Adam Emrick gave an overview. He stated that he had met with the Garden Clubs and they will be submitting trees to Adam to present to the Historic Society for soldier recognition. The Garden Clubs are also competing in naming the project. Adam said that there are close to 1000 soldiers to be recognized and that he suggests one dedication per month. Adam also stated that the Garden Club is suggesting Live Oaks and Cedar trees.
- F. **Business Recognition Program** – Adam Emrick gave an overview. He presented an article from Horry County Business Journal about Donzelle’s being in business for 50+ years.
