# SIGN PERMIT APPLICATION

## INSTRUCTION SHEET

- All sign reviews will be submitted using the online plan submittal process on [horrycounty.org](http://horrycounty.org). Submittals must include a completed sign permit and building permit application, signed letter of agency, completed checklist, and requirements listed below for the type of sign.
- All first time submittals and revisions will be reviewed digitally. Hard copies will be required for final approval.
- Please allow up to 10 business days for all digital reviews and 3 business days for final hard copy review.

Please also include the following:

### **1. Freestanding Signs:**

- A. Applicant must provide two (2) scaled site plans showing the proposed location of the freestanding sign along with measurements from the front and side property lines.
- B. Applicant must provide two (2) copies of the sign rendering with all measurements.
- C. Signs above 32 sq ft or greater than 8 ft in height will require an engineered drawing in accordance with the 2015 International Building Code.

### **2. Wall Signs and/or Gas Canopy signs:**

- A. Applicant must provide two (2) copies of a scaled drawing of wall/canopy in which sign is to be attached and dimensions.
- B. Applicant must provide two (2) copies of a scaled drawing of the proposed wall/canopy sign and dimensions.
- C. Applicant must provide an attachment detail for the proposed wall/canopy sign.

**Any information sent via email in regards to any sign is intended to only be general in nature.**

**Anyone operating a business within Horry County must obtain a zoning compliance for a business license prior to the release of any sign permit.**
